## **DESCRIPTION OF SERVICES**

### **SIN 874-504 Deployment Logistics Services**

Services including, but not limited to, contingency planning; inventory and property planning, movement, storage, and accountability; and communications and logistics systems to permit rapid deployment and management of supplies and equipment. Contractors may provide expert advice, assistance, guidance, or operational support to identify and utilize existing regional or global resources, identify alternative capabilities, and plan for effective integration of public and private sector support or resources.

Under this SIN, Deployed Resources, will offer turn-key base camps inclusive of billets, HVAC, food service, ablution, laundry, administrative, MWR, power, potable water, sewer services and associated support thereof. Rates are based on a per person per day schedule and can be found on page 11.

### **SIN 874-506 Support Products**

This SIN includes products delivered in direct support of services provided under the other SINs. These products may include, but are not limited to: training manuals, CD-ROMs, overhead slides and logistics software utilized in performing a task. Volume purchasing of commercial-off-the-shelf (COTS) hardware and software under this SIN is not allowed, but instead should be purchased using IT Schedule 70.

Under this SIN Deployed Resources will offer the components (i.e. – mobile shower, mobile kitchen, cots, meals) of base camps singularly with out the need for a full turn key camp. A list of these items and their respective rates can be found on page 11 of this price list.
