

CONTAINERIZED OFFICE UNIT

Containerized Office Units (COUs) provide ideal workspace in less than ideal conditions. Each office unit comes equipped with two desks, four storage lockers, two beds (can be removed for additional workspace), remote controlled heating and cooling, four drawer file cabinet, fire alarm & fire extinguisher, and ample outlets. Optional satellite connectivity can also be added to provide phone and internet capabilities. Depending on site conditions and duration units can be positioned on ground or left on chassis for added flexibility.
