

# BICON SHOWER UNIT

Designed for field operations, our Bicon Shower Units (BSUs) provide basic amenities inside a rugged 10' ISO container. Each unit includes interior lighting, sinks, ventilation, and privacy walls.

Units can be operated independently or combined with additional shower units to support larger events. They can be positioned on the ground or left on the chassis for added flexibility. BSUs are ideal for military exercises, special events, or disaster relief operations.

## KEY FEATURES
